Specs – Body Solid Hyper Extension (45 degrees)

It's a combination inverted back extension and oblique flexor set at an exact 45° angle for ultimate conditioning. Strengthen your lower back safely and comfortably on the strongest 45° Hyper available. This combination Inverted Back Extension and Oblique Flexor is set to an exact 45° angle for optimum conditioning. Telescoping midsection pads adjust to all size users and feature thick, double stitched DuraFirm pads for comfort and support. Over-sized 8" foam rollers hold you securely in place. Fully adjustable 4" thick midsection pads provide maximum comfort for all size users.

- Commercial 2"x 3" heavy-gauge steel construction.
- Extra-thick 3" DuraFirm support pads.
- Relieves lower back pain.
- Increases flexibility.
- Improves circulation.
- Strengthens back and abdominal muscles.
- Ideal for home and commercial use.

Dimensions: 91cm(H) x 127cm(L) x 66cm(W)
